

Air Canada Named 2019 Airline of The Year by Global Traveler

MONTREAL, Dec. 2, 2019 /CNW Telbec/ - Air Canada has been recognized as the 2019 Airline of the Year by *Global Traveler*, the leading magazine for luxury business and leisure travellers.

"I am very pleased that Air Canada has been named the 2019 Airline of The Year by *Global Traveler*. The success we have had transforming our airline into a leading global carrier is being recognized worldwide and we continue to invest in new aircraft, onboard services, airport amenities and a new Loyalty program to build on our leading position. Mostly, however, this award recognizes the hard work of our employees and their commitment to deliver customer service excellence every day, for which I thank them," said Calin Rovinescu, President and Chief Executive of Air Canada.

Global Traveler's staff submitted nominations to an advisory board, whose members chose the winners based on a series of factors after thorough research. The panel weighed the nominees' financial data, safety records, product offerings, onboard menus and overall image as a brand before selecting Air Canada as Airline of The Year.

Since 2010, Air Canada has embarked on a \$12 Billion capital expenditure program to elevate the travel experience which has included:

- An expanded global network connecting over its Canadian gateway hubs to nearly 220 cities in Europe, the Middle East, Africa, Asia, Australia, the Caribbean, Mexico, Central America, and North and South America. Air Canada is one of only a few airlines in the world to serve all six inhabited continents;
- A wide body fleet renewal program that introduced Boeing 777s and state-of-the-art Boeing 787 Dreamliners and that includes a significant refurbishment of the A330 fleet to the Dream cabin;
- A narrow body fleet renewal which continues this month with the delivery of the airline's first Airbus A220-300 aircraft;

- Signature Class Service internationally and year-round on select North America transcontinental flights including between Toronto and Vancouver, San Francisco, and Los Angeles; Montreal and Vancouver; and Vancouver and New York (Newark). Signature Class features an end-to-end premium travel experience with exclusive services and amenities;

- BMW Chauffeur Service for select customers connecting to international flights at the Toronto global hub;
- New international, domestic and U.S. Maple Leaf Lounge concepts, including the Air Canada Signature Suite for eligible customers travelling in Signature Class internationally from the Toronto Pearson global hub, featuring a la carte dining with a menu created by celebrated Canadian Chef David Hawksworth; and the Air Canada Café, a first in North America, where eligible customers departing on a domestic flight from Toronto-Pearson can enjoy a premium coffee shop experience with grab and go snacks.
- Enhanced onboard amenities such as signature dishes prepared by Canadian celebrity chefs David Hawksworth, Antonio Park and Vikram Vij, coupled with wine pairings by world-renowned sommelier Veronique Rivest; a revamped Skyriders program with special amenities for the youngest travellers and families; in-flight Wi-fi connectivity on all narrow-body aircraft, and progressive implementation onboard the wide-body fleet, complementing Air Canada's personal seatback in-flight entertainment system, which offers more than 1,000 hours of free digital audio-visual content.
