MONTREAL, March 8, 2021 /CNW Telbec/ - Aeroplan is proud to announce that its millions of Members can now earn and redeem points by enjoying their favourite Starbucks beverages and snacks. Starting today, members can link their Aeroplan account to a Starbucks Rewards account and double-dip by earning both Aeroplan points and Starbucks Stars at participating Starbucks locations throughout Canada. Linking takes less than a minute and can be done at aircanada.com/starbucks.

"We redesigned Aeroplan with the feedback and ideas of over 36,000 people. Consistently across this group, members told us that they wanted more opportunities to earn and redeem points in their everyday lives at their favourite brands. We're proud to launch this first-of-its-kind partnership with Starbucks, a globally respected brand offering the best-in-class experience for all its customers," said Mark Nasr, Senior Vice President, Products, Marketing and eCommerce, Air Canada. "New everyday partnerships with well-loved, frequently used brands are another reason to get excited about the reimagined Aeroplan."

"By bringing together two of the country's most celebrated rewards programs, Starbucks Rewards and Aeroplan, we're excited to open up a new world of benefits for customers and invite more Canadians to try the Starbucks experience," says Peter Furnish, vice president, Product and Marketing, Starbucks Canada. "Through the Starbucks app, we continue to build meaningful ways to deepen our direct relationships with our customers digitally."

This new Starbucks partnership is another example of Aeroplan's commitment to rewarding and recognizing all travelers—both frequent and occasional. In addition to launching this new partnership with Starbucks and other everyday marquee brands yet to be announced, Aeroplan will be introducing a series of "Aeroplan Ahead" offers throughout 2021.
