Travel Policy: Book with confidence

Air Canada's new refund policy is applicable to all tickets purchased. Customers have the option of a full refund to the original form of payment, an Air Canada Travel Voucher or the equivalent value in Aeroplan Points with a 65% bonus should the airline cancel or reschedule a flight by more than three hours.

International Services

Air Canada's international services include wide-body aircraft featuring choices of Air Canada Signature Class with lie-flat seating, Premium Economy and Economy Class. Hours of complementary inflight entertainment is available at every seat throughout the aircraft along with options to purchase onboard wi-fi.

All customers are provided with individual care kits which contain antiseptic wipes, face covering and hand sanitizer. Air Canada's onboard services have resumed and will gradually feature new meals inspired by a panel of celebrated Canadian chefs on international flights departing Canada.

Customers can also collect and redeem Aeroplan points through Canada's leading loyalty program when travelling with Air Canada, and eligible customers have access to priority check-in, Maple Leaf Lounges, priority boarding and other benefits, where available. Lounges are currently open in the domestic gate areas at Toronto, Montreal, Vancouver, and Calgary, and at the international gate areas at Toronto, Montreal, and Paris, with additional plans to re-open other locations in due course.
